

Who We Are & What We Do

Certis Solutions is an AEC workforce solutions firm specializing in providing talent for Environmental, Heavy Civil, and Construction companies. We offer contract, contract-to-hire, and direct placement personnel to allow clients the freedom to bid on more opportunities, ramp up or down as project needs fluctuate, and ensure the “right-fit” before making permanent additions to the team. We strive to build long-term partnerships and we pride ourselves on being unique.
